Old Business:

- The med did a wonderful job on the roof. They started June 14th and finished early in July. We got some good press from the Reminder and the Villager. George printed some certificates of appreciation at Chase Graphics for Brian Musumeci and Chandler Paquette for a job well done.

New Business:

- Late summer George got a call from Sig Swanberg's mother's reserve fund. She left the Quasset School \$1,500. George wrote Sig a thank you letter. This was much appreciated.
