Present: Jeff Sorensen, Jim Stratos, Judy Walberg

1. Call to order – Meeting called to order at 7pm by Chairman Stratos.
2. Approve November 2010 Minutes – On motion of Stratos/Sorenson minutes were unanimously approved.

3. Old Business-

DCS Energy Solar Installations – They will be installing 9 Kw systems at the Highway Garage (ground mount), Town Hall (ground mount), WES roof of the 4 room classroom building. WES will need new roof @ \$19,000, the Bd Finance approved this money and there will be partial reimbursement. Stratos will meet with DCS to approve the locations of the ground mounts. There have been several write ups in local papers about the installations.

Holiday Gift Wrapping – This was a waste of time. Lesson learned. Will work on other ideas for sign-ups.

4. New Business-

Raffle – To be held February 1.

Solar Panels on open space lots in subdivisions – Stratos to meet with P & Z chair Gordon.

We received plaque from the EPA for being a member of the Green Power Leadership Club. Will try and do photo ops with politicians and do a PR spread about this.

Set up E-Waste date for June.

5. Community Awareness Updates – none.

6. Website Updates - none

7. Citizens Participation - none

8. Adjourn – Meeting adjourned at 7:40pm.
