There are certain risks involved with participating in any Pomfret Recreation activity/event and I am willing to assume these risks for myself/my child. I hereby waive and release all other participants, sponsors or others involved from all claims or damages incurred with this trip to Fenway Park. I understand that the Town does not carry accident/medical insurance. Note #2: If the game were to be postponed due to weather/other after the bus leaves for Fenway Park each participant will have to pay an additional \$25.00 fee to rent and ride the bus to the make up game. If the game were to be postponed earlier in the day (before the bus arrives at PCS for pick up) there would not be an extra bus charge for the make up game. The date of a make up game is decided by the Boston Red Sox—no refunds are given if you are not able to attend the make up game.
