

Item 7  
Mystic Country

May 21, 2020

Jay Swan  
Town of Woodstock  
415 Route 169  
Woodstock, CT 06281

Dear Mr. Swan,

The Eastern Regional Tourism District has undergone significant changes over the past six months and has recently selected the Chamber of Commerce of Eastern Connecticut and the Greater Mystic Chamber of Commerce to serve as an administrative partner. We are reaching out to obtain the status of all appointments to the board from our municipalities. We do not currently have a representative from Woodstock appointed to the Board. We highly encourage you to appoint a representative from your town at your earliest ability. It is crucial for the work of this organization to have all 41 municipalities equally represented on the board.

After appointment, please respond with the name of your appointee, date of appointment, and end of term date. If able, please provide the minutes of the meeting at which they were appointed as well.

We are energized by all of the positive changes that have taken place for our organization and look forward to representing eastern Connecticut as a premier tourism destination for years to come. If you have any questions, please reach out to Courtney Assad, Chamber of Commerce of Eastern Connecticut, [cassad@chamberect.com](mailto:cassad@chamberect.com) (860) 701-9113.

Sincerely,

Jim Bellano  
Chair  
Eastern Regional Tourism District
