

TOWN OF WOODSTOCK

To All Woodstock Property Owners An Important New Year Reminder

According to Town Ordinance, ALL property and structures fronting on any street or highway within the Town must have their assigned street number displayed and clearly visible from the street.

House numbers shall be located on the exterior front of the building which they identify or on a post, sign, mailbox or other device located between the building and the street. Such numerals shall be at least three (3) inches in height.

Please post your house number – it's for your safety and your family's safety. Clearly visible numbers help Emergency Personnel get to your house quicker than if they are not posted.

Warm Regards for a Safe and Healthy New Year,
Town of Woodstock Board of Selectmen
And Your Volunteer Emergency Personnel
